Judge Ranney

to have discovered that Judge Ranney once tion and disunion; and yet the opinions frimself. which they charge him with holding, are THE FERLING IN GREAT HEITAIN IN REarticle on the subject; says:

be blasted with civil war?

ince for Governor adheres to. The scales England may be the destined victim. have fallen from their eyes; they are unly A Max or an Unhouspen Storage -The

their platform, stands out in all its deformis appeared, making in all one guillon! ty, when they fancy they can behold any traces of it in an opponent.

"O, wad some power the giftie gie us,

gives the lie most emphatically,) Republi many he would go into the church. Then cans should be the last ones to find fault he married and went to the Normal School, with him. If they do not like those doc. Toronto. Next he became a Teacher at the their conscientious belief that they are right time, but finally killed her by a dose of they ought to respect more highly any one chloroform. Unbridled last was his ruin. who would adopt them. The Democratic

Decadence of Personal Popularity.

The people of Dayton and vicinige will few years ago emigrated to Kansas and be. came one of the leading "shrickers" out al Convention; that his "personal popularis America. ty was so great that all h-l couldn't beat him!" He was a candidate; but he did not succeed in his election. History records his defeat in every ward and precinct of his county, and a majority against him of about feat was compassed by fraud !' The pa- writing under date of June 16th, says : ternity of these rumors we need not name;

great pains have been taken to arrive at just from Bewleyville, Ky., says : conclusions by our metropolitan papers.

Correspondents from every part of the country, Breckenridge, got married and try gave their views. Some said the wheat mare had twin coits; not long after his cow mare had twin coits; not long after his cow mare had twin coits; not long after his cow mare had twin coits; not long after his cow try gave their views. Some said the wheat corn, east, barley, and all kinds of fruit and v getables, were killed by the frost. Others claimed that only a part had been destroyed, wife has twins—a fine boy and girl—both of which are doing well. All this took place which are doing well. All this took place of the kind manual of the progress, prog

this warm weather, farely snaps; it grows trated at that point. so fast you can, we were told by good au- Shehr-Killing Doos, -In Coyahoga coun thority, hear and see it grow! After all the murmuring of a stiff necked, perverse generation of speculators, a kind Providence value \$2,353; injured, 1,112; value, \$840 protects us and provides us with all the comt forts of life. Our barns will be filled, and we shall have reason to offer thanks to the great giver of every blessing for a most fruit-we trust, our members in the next General we trust, our members in the next General we trust.

pidest citizens. Home fish!"

THE OCKEDO HEAX The Ochogo Paller dium published an account of the meteoric body mear dewego. The toly REAL ESTATE spread itself ever about an arre, according to the statement of the Polls Jum, and the story spread itself through marly the whole of our exchanges. A number of seisutific Democratic State Ticket. mee from neighboring vities, several editors
